Environmental Policy

Thiim | Eltech A/S is managed from the address:
Baldershøj 22, 2635 Ishøj, Denmark.

Our primary service is sales of technical articles and solutions to industry.

Thiim | Eltech A/S commits to continuously improve environmental management system in order to reduce our environmental impact and enhance environmental performance
- a commitment that naturally extends to reducing our customers impact as well.

The objectives of environmental policy are to:

- Continuously increase portfolio of suppliers with a green profile or ISO 14001:2015.
- Reduce the CO2 footprint of Thiim | Eltech A/S' impact on the life cycle of the products.
- Influence customers regarding better alternatives to transport and products.
- Reduce the company's environmental impact through continuous energy optimization.
- Map the impact and renew action plans on an annual basis.

The company commits to:

- Update and further develop workflows, attitudes, and competencies.
- Establishing specific goals that demonstrate the extent to which the environmental policy and objectives are being met.
- Comply with all compliance obligations and relevant legal and regulatory requirements.
